Work experience

Visual Designer - Canonical

Nov 2014 - Now

Designing UI for the cloud products MAAS and Landscape as well as their respective websites and pages for ubuntu.com. I work with the other visual and UX designers to come up with the best solutions and journeys to create the best user experience.

Designer - Precise Pixels

Aug 2013 - Now

A freelance web design company designing fully responsive, mobile first with modern coding method websites and web apps from concept stage to wireframes, UI design and prototypes.

Web and Graphic Designer - invstr

Jun 2014 - Nov 2014

I developed the website, assets for the marketing team, video and animation production and worked on the UI and UX for the invstr app.

Design and Web Intern - Holiday Extras

Jul 2012 - Jul 2013

Working with the web team maintaining the booking platforms and designing new assets for the company. I also Worked with the internal start up called miDrive. I worked with them on their branding, video content and web development.

Education

University of Kent - Multimedia Technology and Design

Sep 2010 - Jul 2014

I achieved a First Class Honours at the University of Kent and was awarded the Sagittarius Digital Prize for 'Best Integrated Multimedia Project in Multimedia Technology and Design (BSc)'
